

LED MODULES FOR LINEAR LIGHTING

IDEAL FOR BRILLIANT LIGHT DISTRIBUTION

LED LINE SMD KIT – 3 ROW

- 2 lengths available: 280 mm / 566 mm
- Zhaga-compliant hole spacing
- Flexible light distribution by different optics from VS
- Highly efficient: up to 186 lm/W at $t_p = 50\text{ °C}$
- Long service lifetime: 50,000 hours (L80/B10)

LED LINE SMD KIT – 1 ROW

STANDARD AND HIGH BRIGHTNESS

- 2 lengths available: 280 mm / 560 mm
- Zhaga-compliant hole spacing
- Flexible light distribution by different optics from VS
- Highly efficient: up to 183 lm/W at $t_p = 50\text{ °C}$
- Long service lifetime: 50,000 hours (L80/B10)
