LiNA, THE "SUPERWOMAN" FOR BLU2LIGHT

LiNA stands for "Lighting Innovation App" and was one of the highlights **Blu2Light** at the Vossloh-Schwabe trade fair stand.

We would like to thank all those who visited our brand new stand – brighter, more open and more communicative – and took an interest in our innovative products and systems.

And for all those who were not able to visit us at the fair, here's a 360° look at our trade fair stand.

Experience the innovative power of Vossloh-Schwabe and let us impress you with our new systems – developed specifically for you.

Interested? Then let's go.

Call us with your questions or concrete projects. We're happy to help.
