EXPAND YOUR BUSINESS WITH UL-CERTIFIED PRODUCTS

If you need components for the North American lighting market or solutions with UL certification, we are the right partner for you.

Our sister company, Universal Lighting Technologies, a further subsidiary under the Panasonic umbrella, provides a broad spectrum of LED modules, drivers and light controllers as well as corresponding accessories.

Headquartered in Nashville, TN, USA and with more than 70 years of experience, ULT is a leading manufacturer of innovative solutions on the global lighting market. Quality, reliability and a clear orientation towards the future are the tenets around which the company is built.

Seize your opportunity to expand your business activities and visit the ULT homepage at **www.unvlt.com** or contact us directly.
