

PHASE-OUT OF STANDARD LAMPHOLDERS AND OPERATING DEVICES

Vossloh-Schwabe is ending the year with a clearance sale: with immediate effect, you can place your "last orders" for lampholders, accessories and a broad range control gear are available.

Among the lampholders, you'll find such trusty standard components as our G13 built-in lampholder or the G24 compact fluorescent lampholder and among the approx. 40 control gear units, you'll also find LED drivers, fluorescent and HID ballasts as well as electronic transformers.

All reduced products are in stock and ready for immediate delivery, as long as stocks last.

Your VS representative will be happy to provide further information.
